March 20, 2020

Dear 2020 Cornhusker Girls State Delegate,

The health and safety of you, our delegates, counselors, staff, and volunteers is always our primary concern and our top priority. The past few weeks we have actively monitored the developments related to the coronavirus through our local, state, and national officials. We were hoping that this national pandemic was slowing down but that is just not the case. Making matters even more challenging is the fact that we really don't know exactly what the future has in store.

A decision was made by the Girls State Executive Board to cancel the 2020 Cornhusker Girls State session. We looked at all options available to us, but ultimately we came back to the health and safety for all of those involved in the program. The American Legion Auxiliary nor Cornhusker Girls State wish to put anyone in harm's way. This decision was not an easy one to consider.

You will be able to write down on a resume that you were selected to attend the 2020 Cornhusker Girls State session. You will also be receiving a certificate and a 2020 Girls State pin. Please be patient as we are working as quickly as possible to get this done in a timely manner. We were looking forward to having roughly 400 delegates this year.

In the meantime, we urge all of you to follow the guidelines and recommendations of the Centers for Disease Control and Prevention and that of the local, state, and national authorities.

Thank you for your patience.

Sincerely,

Nicole Vance
American Legion Auxiliary
2020 Cornhusker Girls State Chairman
