PURPOSE AND PREPARATION

PURPOSE

The American Legion Auxiliary Girl State program teaches young women responsible citizenship grounded in ethics, the principles of our nation's founders, and respect for God and Country. It is an educational program of government instruction and civic leadership.

Girls State is a learning experience for everyone regardless of your prior background in government and politics. There is room for a wide variety of skill and knowledge levels and you will be able to participate fully in the program.

PREPARATION

Inform yourself

- The secret to a successful week at Girls State is preparing yourself. Current issues play an important role in determining party platforms, writing bills and debating issues. Read your local newspaper or news websites to become informed about current state issues, as well as national and international affairs.
- Learn about the duties and responsibilities of the elected and appointed government officials. This will help you decide in which office you are interested. Become familiar with the political party platform and convention process.
- Review basic parliamentary procedure because it is used throughout the week. A "Map to a Successful Meeting" is enclosed. A basic Parli-Pro Guide will be posted on the website to review and also be included in your Girls State Packet you will receive when you arrive.

EXAMS

1. **Current Events Quiz** – Multiple Choice. This quiz will cover both national and state events as well as contemporary affairs. CAMPAIGNING

CAMPAIGN PRE-PLANNING

Campaigning allows other citizens (1) to know your name, (2) the office you are running for, and (3) the reasons you are running for that office. You may make posters and handouts with your name on them, and/or give speeches to get attention. You may also have other citizens assist and support you with your campaign.

- Begin developing your campaign ideas now. Have your election platform and slogan ready prior to arriving. Your own ideas and abilities are always the best.
- County and State offices will participate in whistle stop campaigns. Simple costumes will be allowed for this part of the campaign process.
- You have limited time to prepare campaign materials so keep your ideas simple. Catchy slogans and name recognition is the key.

CAMPAIGN RULES AND GUIDELINES

1. **No citizen can campaign for a Girls State office by letter, social media, or other means BEFORE the Girls State session begins.** Any delegate who disregards this rule will not be permitted to attend. Any known incident should be reported immediately to the Girls State Office.
2. **All campaign materials prepared prior to arriving at Girls State are not allowed.** This is the policy so each citizen has equal opportunity.
3. **No campaigning is allowed until AFTER you have officially filed for office at Girls State.** Posters or other campaign materials are not to be displayed or circulated prior to filing for office.
4. Campaign materials that will be supplied include poster board, scissors, markers, construction paper, and glue sticks.
5. Any “give-a-ways” or “enhancements” for your campaigning is optional on your part to provide.
6. No campaign materials can be purchased or ordered through the Girls State Store or the Abel-Sandoz convenience store.
7. **No PREPRINTED, COMPUTER GENERATED, or COPIED campaign materials are permitted.** No photographs are allowed on campaign materials.
8. Plan your campaign materials according to the office you are seeking. If you run for:
 - A. State office, you will campaign on all eight floors.
 - B. County office, you will campaign on the four floors in your county.
 - C. City office, you campaign on your floor only.***NOTE: There will be approximately 35 - 40 citizens per floor.***
9. Campaign materials must be hung with approved UNL materials only. Tape and other approved materials will be available on each floor. **Remove** your campaign signs following your election out of courtesy to those candidates who are still campaigning.
10. Girls State Staff will remove and discard any inappropriate campaign materials.

DIGITAL CAMPAIGNING

1. Candidates may not campaign before arriving at Cornhusker Girls State or before filing for office.
2. Approved platforms for digital campaign material creation will be reviewed at our Opening Session.
3. No campaigning can be done outside of sanctioned internal channels monitored by the Girls State Staff. Do not campaign on social media sites like Twitter or Facebook.
4. Unapproved digital campaigning on external channel will result in disqualification of the position you are running for.
5. Any questions about digital campaigning should be directed to the Media Staff, not counselors or other staff.

Campaigning rules will be reviewed at our Opening Session.

APPOINTED OFFICE

If you are not elected to office, don't be disappointed. You will receive an appointed position. The appointive positions are just as important as the elected positions and government could not function without them.

In real State government, the Governor makes appointments. At Cornhusker Girls State, the Advisory Board makes all appointments. In most cases, the appointment fits the level of the failed office that you ran for.

- ✓ **During your online registration process you will have been asked your preference choices for this appointment, if it is necessary. All possible efforts will be made to appoint you according to your preference.**

INAUGURATION AND OFFICE VISITS

INAUGURATION: On Thursday afternoon Girls State Citizens and staff will walk to the State Capitol for the inauguration ceremony of the Girls State Governor.

OFFICE VISITS: Following Inauguration, citizens will be dismissed, in a designated order, to visit the office that corresponds to their elected or appointed position. Girls State staff and/or personnel from the various Departments will escort citizens to their respective offices. Transportation will be provided to offices located beyond walking distance of the Capitol.

CLOSING SESSION

Closing session will be held on Saturday, June 7, at 9:00 a.m., in the Carolyn Pope Edwards Hall. Certificates, pins, and awards will be presented. Bills introduced and passed by the Girls State Legislature will be reported.

- ❖ **There is no extra seating at the Carolyn Pope for Edwards Hall closing session. Parents should plan to pick up their daughter after dismissal at the dorm.**
